St. Michael’s is a Church of England school situated along Granville Road, Southfields. We are a Voluntary Aided Primary School where the staff and Governors work in partnership with Wandsworth Education and the Southwark Diocesan Board of Education. The school has a long established association with the Parish Church of St. Michael’s and regular visits are made to the Church during the term and for the end of term services.

Our Recent SIAMS Church Inspection 2019 stated that:

The school has a deeply embedded inclusive Christian vision which excellently expresses its mission of Christian service to its diverse community. This is based on the biblical teaching of the value and potential of everyone, each being precious to God. Through insightful leadership, and accurate self-evaluation, its Christian foundation is kept consistently to the fore. It consequently is relevant and responsive to the strengths and challenges of school life, making this a forward thinking and outward looking institution. It successfully challenges and nurtures pupils’ academic and personal development. Consequently, all pupils, including the most vulnerable, flourish and make very good progress from their various starting points, leading to outcomes being consistently above local and national averages.

We consider ourselves to be a friendly, family orientated school serving the community of Southfields. Our last Ofsted Inspection cited:

“This is an outstanding school. The great majority of parents agree. They say that their children make excellent progress here and are very happy.” (Ofsted 2008)

“All pupils make outstanding progress from their starting points and, by the end of Year 6, their overall standards are well above average”. (Ofsted 2008)

The full report can be viewed on our school website www.stmichaels.wandsworth.sch.uk

Children enter the Reception class in September prior to their fifth birthday and we hope stay with us until Year 6 when at the age of eleven years they transfer to secondary school. There are 14 classes in total as we are two-form of entry.

Within our school we aim to create a secure, happy and hard working environment in which children can develop and they are encouraged to work in partnership with each other.

Good behaviour is paramount and as a school we have produced and implemented our own “Positive Behaviour Policy” which is a result of whole staff, Governor, parent and pupil input.
