

# ST MICHAEL'S CE SCHOOL

## REQUEST FOR DEFERRED ENTRY TO RECEPTION (TO LATER IN THE SCHOOL YEAR)

Child's Name:

Date of Birth:

Parent/Guardian Name:

Relationship to Child:

Address:

Current School or Pre-School:

Please read the information contained at the end of this form explaining the implications of this request.

Reason for Request:

Date wish to defer entry to:

Deferred entry means that your child will enter a reception class later in the school either in January or March/April depending on his/her date of birth. This means that your child would miss one or two terms of work in Reception.

**We strongly recommend you that you discuss the implications of deferred entry with the school first before making a formal request.**

You can only defer your child's entry until he/she is of compulsory school age or the beginning of the Summer term after Easter (whichever comes first). Children born between 1st September and 31st December can defer entry to the beginning of the Spring term in January. All other children can defer entry up to the beginning of the Summer term.

If you wish your child to continue at his/her nursery, you should also let the nursery know as soon as possible. Continuation at the nursery from September is dependent on there being a place available.

Where entry is deferred, the school will hold the place for your child until the agreed start date.

**I understand the implications of the deferred entry to Reception and I wish to request deferred entry for my child.**
