## SAFEGUARDING: KEY CONTACTS

At St. Michael's we take notice of and adhere to all the national and local policies and guidance in regard to Safeguarding Children and Young People.

The Board of Governors and staff of St. Michael's CE School fully recognise the responsibilities and duty placed upon them to have arrangements to safeguard and promote the welfare of all pupils at the school. We recognise that all staff, including volunteers, have a full and active part to play in protecting pupils from harm. We believe that our school should provide a safe, caring, positive, and stimulating environment in which pupils can learn and which promotes the social, physical and emotional wellbeing of each individual pupil.

## OTHER PUBLISHED CONTACTS / INFORMATION

### NSPCC: What is safeguarding?

Safeguarding is the action that is taken to promote the welfare of children and protect them from harm.

#### Safeguarding means:

- protecting children from abuse and maltreatment
- preventing harm to children's health or development
- ensuring children grow up with the provision of safe and effective care
- taking action to enable all children and young people to have the best outcomes.

Child protection is part of the safeguarding process. It focuses on protecting individual children identified as suffering or likely to suffer significant harm. This includes child protection procedures which detail how to respond to concerns about a child.

Safeguarding children and child protection guidance and legislation applies to all children up to the age of 18.
