Dear Ann-Marie

Wandsworth Dyslexia-friendly Mark Accreditation

I am delighted to confirm that St Michael's has been awarded the Wandsworth Dyslexia-friendly inclusion Mark. Please pass on my congratulations to all of your staff and thank them for their hard work. This award is recognition of the commitment across the whole school towards meeting the needs of young people with Dyslexia and reflects the inclusive ethos and values of the college as a whole.

You will receive separately a certificate and a jpeg of the logo which you can use on school documentation and a report identifying the particular strengths against the standards and some recommendations for further development. The school will be eligible for re-accreditation in October 2021.

Best wishes
