Our ref: SACRE

2nd July 2019

Dear Mrs McWhinnie

STANDING ADVISORY COUNCIL ON RELIGIOUS EDUCATION (SACRE)

As you may know, SACRE advises the Local Authority on matters related to Religious Education and Collective Worship. I am writing on behalf of the Wandsworth SACRE to congratulate St Michael's 'excellent' judgement within the SIAMs Inspection Report which our faith representatives reviewed at our meeting on Monday 17th June 2019.

The SACRE faith representatives were particularly impressed with the way in which the school's Christian vision is embedded at all levels within the school and that this enables teaching within an inclusive education environment. The SACRE also noted that the school deploys an innovative curriculum and supports all its children with effective pastoral care with a view to helping all children at the school flourish. The SACRE was also interested to note that the school is developing links with a school in Kenya to enhance understanding and an appreciation of the wider world.

I would be very grateful if you would formally pass on our congratulations to the headteacher, Anne-Marie Grant, the staff and all the pupils at St Michael's CE Primary School on the many achievements which were highlighted in the inspection report and its assessment as 'excellent'.

Yours sincerely

Councillor Mrs Angela Graham
Chairman, Wandsworth SACRE
