

ST. MICHAEL'S CE SCHOOL

ATTENDANCE

MONTHLY REPORT FOR DECEMBER 2019

- The overall attendance for the **whole school** in December 2019 was **96.9%**, which was lower than November's figure of 97.3%.
- This decrease in attendance was the result of illness and a higher number of children taking extended holiday around Christmas. In December there were absences for 118 sessions due to holiday (up from 109 in December 2018), although 54 of these were authorised because of special circumstances (only 2 out of 109 in December 2018).
- Our cumulative total for the school year since September 2019 is **97.6%**, which is just above our annual target of 97.5% (see table below). The best attendance (over 98%) is in Years 3 and 6.
